The Montpelier Argus states the follow-
ing for a fact: While a party of Mont-
pelier & Wells River railroad men were
berrying at Groton Pond Sunday one of
their number, Brakeman McGibney, ran
across a big bear which was calmly sitting
down eating berries. The sight gave Mr.
McGibney the shakes and he beat a digni-
fied retreat. The bear was having too
good a time to give chase and remained
behind to finish its feast.

Twenty-six patients are in Heaton hos-
pital, Montpelier, the largest number that
have ever been in the hospital since it was
built. All the private rooms are taken,
and many patients who would like to have
private rooms have had to take beds in the
wards. With so many patients in the hos-
pital the capacity of the institution is
taxed. Nothing demonstrates more clearly
its benefits to the public than the way it
has been so generously patronized.

A fortunate accident happened on the

fortunate in the place of its happening, for
had the car gone off the track at some
points on the line there would be a differ-

into this city, in charge of Motorman
Burke, and it left the rails, on account of
a defective wheel, in front of the Smith,
Whitcomb & Cook plant on North Main
street. The car was filled with people.

Newspaper Talk.

Don't you grow weary of the extravagant Clothes-talk in the newspapers?
Isn't it refreshing to read the advertisement of a Clothing House that does
not proclaim that some manufacturer is "busted"? Isn't it refreshing to
have us simply announce that we sell you a splendid \$10.00 Suit for
\$10.00? Isn't it refreshing that we do not shout that we are overstocked?
Isn't it refreshing that we are not advertising \$25.00 Suits on sale at
\$10.00? Isn't it refreshing to go to a store that is not always shouting
"bargain sales"? We have many refreshing Suits here that are a pleas-
ure to show and sell to you, and that will be a pleasure for you to wear.
